## HÔTEL DE LA SORBONNE

**Opposite the Sorbonne, one minute from the Luxembourg Gardens and the Pantheon, this lovely hotel (renovated in 2002) will envelop you in its warmth and colour.**

The shape and decoration of each room is different, and the cosy salon is a perfect antidote to the bustling Latin Quarter. This two-star hotel will surprise you by its originality and friendliness, and direct trains from either of Paris' airports will get you there in just 30 minutes. The whole team will be greeting you at the hotel, and look forward to making you stay as comfortable as possible.
